Web developer

## EDUCATION

**University of West Attica**  
Electrical & Electronic Engineering

## PROFESSIONAL EXPERIENCE

### Web Developer Internship at WIDE Services

July 2022 – present

Collaboratively developed and implemented applications that served as plugins in the Moodle LMS using PHP, HTML, CSS, JavaScript and Bootstrap. Served as support engineer with both the front and back-end teams.

### Private at Greek Special Forces Army

September 2021 – June 2022

Actively contributing to the daily needs of the Greek Special Forces Army by delivering in-time documents and organizing many missions and projects, while gaining special training both physical and in the arms.

### Product Manager at MyWay Taxi

January 2019 – September 2021

Contributed to the foundation of the company and helped in it becoming a strong competitor in the field by managing the marketing team and making strong interpersonal relationships.

### Self-employed Private Tutor

September 2012 – present

Successfully leading students with little or no experience to the highest levels of their education. Created and implemented lessons based on the skills, needs and aspirations of each student.
